2. Remuneration for on-roll employees will include a fixed or guaranteed component payable monthly; and a variable component which is based on performance and paid annually.
3. The fixed component of remuneration will have a flexible component with a bouquet of allowances to enable an employee to choose the allowances as well as the quantum based on laid down limits as per Company policy. The flexible component can be varied only once annually in the month of July, after the salary increment exercise.

5. The actual pay-out of variable component of the remuneration will be function of individual performance as well as business performance. Business performance is evaluated using a Balance Score Card (BSC) while individual performance is evaluated on Key Result Areas (KRA). Both the BSC & KRAs are evaluated at the end of the fiscal to arrive at the BSC rating of the business and PPS rating of the individual.
